

BAY COUNTY ROAD COMMISSION
EMERGENCY ASSISTANCE ON PRIVATE ROADS POLICY

It is the policy of the Board of County Road Commissioners, County of Bay, to provide emergency assistance on private roads.

In an effort to provide emergency assistance to emergency vehicles and to the residents of Bay County, the Bay County Road Commission establishes this policy. This policy provides for Road Commission assistance to emergency vehicles traveling on private roads when conditions are present which create a hazardous or impassable (icy, snow covered) road.

In an effort to provide for the health, safety and well-being of the public, the Road Commission will provide appropriate emergency assistance when possible.
