

PUBLIC HEARING NOTICE

NEBOBISH ROAD RECLASSIFICATION

On Wednesday, August 25, 2021 at 9:30 a.m., a Public Hearing will be held during the Board of County Road Commissioners, County of Bay's regular meeting at the offices of the Bay County Road Commission, 2600 E. Beaver Road, Kawkawlin, MI 48631. The Public Hearing is being held to discuss and receive public comments regarding the Charter Township of Hampton's request to re-classify a portion of Nebobish Road from Local to Seasonal. Specifically, the portion of Nebobish Road from Cotter Road to Nebobish Road's eastern terminus or dead end. A map of the location is included below.

The re-classification is being requested and considered by the Bay County Road Commission, due to vandalism and unauthorized dumping at this location, which has significantly increased over the past several years. The classification change will allow Hampton Township, the Bay County Road Commission, both in association with, the Department of Natural Resources, to better control access to this segment of Nebobish Road throughout the year.

If you cannot attend the Public Hearing, you may submit or mail written comments to:

Bay County Road Commission
2600 East Beaver Road
Kawkawlin, MI 48631

If mailing, please allow enough time for delivery before the 9:15 a.m. meeting on August 25, 2021.

If you have any questions regarding this Public Hearing, please contact the Road Commission office at 989-686-4610. The Bay County Road Commission will provide necessary and reasonable auxiliary aids and services for disabled persons upon request. Voice 989-686-4610, TDD 1-800-649-3777.
