SUMMER 2021 BAY COUNTY ROAD COMMISSION

GIS TEMPORARY SUMMER EMPLOYMENT

The Bay County Road Commission is seeking individuals experienced in GIS applications to work through the summer of 2021. Duties will include locating and testing stormwater discharge points, monitoring and reporting stormwater catch basin cleaning, stormwater manhole condition assessments and creating Bay County Road Commission Right-of-Way Maps. Those interested should submit a resume and application (available on www.baycoroad.org) to Erik Dziurka (edziurka@baycoroad.org) no later than April 16th.
